

A JOURNEY THROUGH THE STARGATES IN THE LAND OF THE MAGDALENE AND HOLY GRAIL IN SOUTHERN FRANCE

October 2 – October 9, 2009

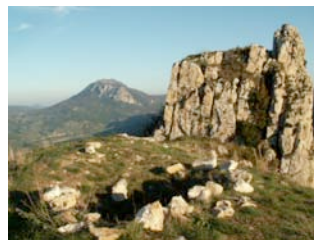

Join us on this eight day journey to the many magical places in southern France where our early ancestors marked the connection points between the Earth and the Cosmos, bringing the consciousness of the Heavens to that of the Earth. Our light bodies, encoded with ancient celestial wisdom, will come alive as the land calls us into harmony with it, to experience the seen and unseen dimensions, commune with Nature and the spirit of the Goddess. Venus and Mercury will be traveling together at this time in the sign of Virgo, honoring the return of the Divine Feminine archetype, activating the Earth in ancient places once dedicated to Mary Magdalene and Isis. The full moon in Aries eclipses and uncovers access to the Pleiadean Stargate, which

will offer us a clearer vision for our individual destinies as well as a collective one for the planet.

Facilitated by Nancy Safford

Our journey will weave us through caves and temples carrying legacies of Isis and Mary Magdalene, to mountaintop castle-fortresses once inhabited by Templar. We will experience churches and stand powerful Black Madonnas, discovered hundreds springs and wells uncover ancient Stargates of Mary Magdalene and to the Priestesses who were cycles in these celestial and Earthly temples here. Chateau, the mysterious hilltop village in the with spectacular views of mountains and ancient sites that mark a natural pentacle in the landscape temple here. This village has been a strategic place of power for Romans, Visigoths and Merovingians, and an early temple site dedicated to Isis. The story about famous coded documents discovered by the Abbe Saunier 100 years ago, while he was renovating the church, suggests that he uncovered a treasure, still a mystery today. He then built the Tour Magdala and finished renovating the Church, both of which he dedicated to Mary Magdalene.

the Cathars and Knights in the presence of of years ago. Sacred wisdom known to Isis, guardians of the earth We will visit Rennes Le foothills of the Pyrenees,

We will swim in the purifying waters of the Mediterranean at Les Saintes Maries de la Mers, where the gypsies celebrate the black Saint Sarah each year, and who legend says, arrived with Magdalene from the Holy Land, perhaps as her daughter with Jesus.

Our journey intention will focus on understanding the events happening in the “Great Above” and how they relate to the “Great Below”, our Earth-based reality. The Magdalene archetype and principal is a “conduit” for certain Divine Feminine planetary processions of energy and awareness. The natural landscape Temple here identified as a five-pointed star, holds a key to a much larger movement of

celestial forces as they interact with the planet. We will attune to these processions and to the larger movement of celestial forces as we journey together.

Each of the places on our journey is meant for individual activations, designed to bring balance, inspiration, inner wisdom and heart opening. The energy of the journey will respond to the individual and group intention. We will co-create ceremony in various sites when inspired to do so for more intimate connections.

A JOURNEY THROUGH THE STARGATES IN THE LAND OF THE MAGDALENE AND HOLY GRAIL MYSTERIES IN SOUTHERN FRANCE

8 Day Journey Itinerary October 2 – 9, 2009
Cost \$2100

Day 1 - Oct. 2, Friday

We will pick you up in Toulouse at the airport between 12 and 1 pm. We depart for our B&B in Rennes Les Bains, stopping in Limoux for lunch and then to get individual grocery items. On arrival in RLB, we will relax, settle in and explore the famous outdoor thermal healing waters. RLB is located within the five pointed star Temple energies. Then we will have a brief introduction before retiring early to catch up from the long flights. We will stay 3 nights here.

Day 2 – Oct 3, Saturday

Breakfast. We will begin with a group centering, meditation and then set intentions for the journey by the sacred waters of initiation before we walk to experience the ancient 5000 year old stone *Seat of Isis*, next to her sacred spring. It encourages quiet reflection, personal attunements and initiations, as the powerful alignments pass through the seat.. This is a *Stargate* site. Priestesses were once the guardians of these waters and sacred places to keep the Earth, humanity and the other worlds in harmony with Creation, through cyclic ceremonies and songs. Astrologically, Mercury, Venus and Saturn are all in Virgo inviting the archetype of the Divine Feminine to return. Uranus is in opposition at this time, which often brings "unusual" messages for those willing to listen with personal insights of how to make changes in ones' life. We will have lunch at a café in town and later our special welcome dinner.

Day 3 – .Oct. 4, Sunday

Breakfast. We will then spend the morning at the traditional marketplace in Esperaza with a wonderful experience of the French open market, offering fresh local produce, clothes, jewelry and many personal or gift ideas. There is a beautiful church dedicated to Archangel Michael here to visit. Esperaza marks the center of a six pointed star, also identified in the Temple landscape of the area. We will then proceed to Rennes Le Chateau to have lunch, on the famous hilltop village of *Rennes le Chateau* where we will visit the *famous Tour Magdala, Magdalene Church* and the museum here.. It is this church that Abbe Sauniere was renovating when he mysteriously discovered

coded documents, went to Paris with them and returned with a great amount of money. He built the *Tour Magdala* and renovated the church, both dedicated to *Mary Magdalene*. Legend says that this was once an ancient Temple of Isis deep below the earth here.

We will have a special presentation at the home of a wonderful couple who are members of the Knights Templar Order, still practicing today They live next to the historic *Merovingian Castle*. The presentation will give more details about the sacred geometry of the landscape pentagram here.

Day 4 – Oct. 5, Monday

Breakfast. We depart early for *Les Saintes Maries de la Mer*, a small fishing village located on the Mediterranean coast near Marseilles, where Mary Magdalene from the Holy Land. She was with a small party of people, greeted The group included two other Marys and Sarah, who most believe daughter of Magdalene and Jesus. She is also the Patron Saint of We will explore the 6th century church and the black Saint Sarah crypt, before we go to the beach. After thousands of years of healings done in this place, it is easy to lovingly accept a way of from our hearts We will purify ourselves in the soothing, healing waters of the Mediterranean to release all limitation, rebirthing our soul. Saint Sarah, in the church, offers endless compassion and wisdom.

arrived by boat by the gypsies. was the the gypsies. statue in the prayers and living and being

This was once an ancient pilgrimage site for the Celts who came to receive healing from the Goddess present at the warm spring located here. The Greeks once had a Temple to Aphrodite here.

This region, the Camargue, is known as the *cowboy country* of France, where the horses once ran wild. The wonderful shopping here, includes aromatic products from Provence for gifts and personal enjoyment. We will have lunch and dinner in town. One night stay here.

Day 5 – Oct. 6, Tuesday

- Breakfast. Take one last visit to Saint Sarah before we depart for our beautiful B&B near Rennes Le Chateau. We will climb to the extraordinary Cathar Castle, Queribus on the return trip, situated high up in the mountainous foothills of the Pyrenees, at the edge of the Cathar strongholds, once part of the Catalan region of Spain. It was never besieged by the Catholic church during the “Inquisition” , when they tried to block them practicing the real teachings of Jesus, known to the Cathars. The views and grid alignments are awesome from here.

We arrive at our lovely B&B facing the village of Rennes Le Chateau as the moon is beginning an occultation of the Pleiades – acting almost as an eclipse – that helps to uncover access to the Pleiadean *Stargate* mysteries. it activates a profound influence on our own hidden cellular wisdom. At the same time, we also have an opportunity to connect to the Sacred Hoop of stars circling above, where planetary consciousness can be mended through our Love. We may choose to co-create a ceremony tonight or do one the following day when we journey to the Magdalene Cave nearby. There will be a wonderful dinner here and we stay for our last three nights.

Day 6 – Oct 7, Wednesday

Breakfast. Group centering and sharing; as we take the morning to rest, relax and explore the grounds of our beautiful B&B. It is nestled beside the *river of colors* in the *valley of colors* where women once washed clothes together in earlier times. There is a very strong Magdalene energy present inviting us to relax into the beauty of the land to receive its gifts. We are again in the *Temple Pentagram* area at the node point of Rennes Le Chateau, where the Venus frequencies enter the Earth Grid.

We attune as we walk to the *Magdalene Cave* across from Rennes Le Chateau and do our co-created ceremony. The moon is approaching Aldebaran - the “Eye of the Bull” at the Stargate. This is the place known to hold the mysteries of Orion and Sirius - the Priest/ Priestess mysteries. It was also said to be the key that Osiris held, “the Key of Life”. Dinner at our B&B.

Day 7 – Oct 8, Thursday

Breakfast. Group centering before making a morning visit to the mysterious Holy Mountain Bugarach, also a Temple pentagram point with stunning views. It has hosted numerous UFO sightings, is known as an intergalactic doorway (possibly for the “Arcturians”), and is also known as a place where Jules

Verne lived and wrote many of his stories, including “Journey to the Center of the Earth”. Mt. Bugarach is also known to be a place where an Essene community settled and where many Cathar Caves existed in places of important celestial alignments. We will meditate and receive the essence of Mt. Bugarach. As the moon crosses the Galactic edge, giving us an opportunity to receive and attune to a new dream for our lives. Can we imagine creating a new perspective, something we might never have imagined before, as Jules Verne may have offered in his stories?

Then, we will pass by and visit the *Fountain Des Amours (the Fountain of Lovers)*, a place where beings of all dimensions meet in Love. It may well be a place of emergence from ancient times, as the bottom to the small pond is questionable. We can offer thanks for our sacred journey and for the deep attunements each has called forth from the ancient “portals” on the land. We will give our own blessings of love to the great Mother Earth and to the guardians of love on the planet.

Return to our B&B for final packing for next day departure and to be honored with a special farewell dinner, and to honor each other for the sacred journey experienced together.

Day 8 – Oct. 9, Friday

Breakfast . One last goodbye to the area before driving to Toulouse for departures to the USA or to other individual destinations.
