IN SOUTHERN FRANCE***

***ACTIVATE YOUR ARCHETYPAL MAGDALENE/CHRIST DNA CODES
AWAKEN THE HEART OF YOUR LUMINOUS CHILD WITHIN***

***An Eight Day Journey For Women And Men
October 2-9, 2008***

Facilitated By Michelle Phillips & Nancy Safford

Join us on this life-changing workshop/journey where you will be initiated into the Magdalene/Christ Union. You will be taken into the archetypal bloodline DNA codes within yourself to release karmic separation and crucifixion consciousness. This will activate and re-align you in the highest frequency of Love – of the One – female/male “second coming” of the Magdalene/Christ within yourself.

This experiential journey will weave us through the Rennes Le Chateau region of France where the magical and mythical land calls us into harmony with it, to experience the seen and unseen dimensions, to commune with nature and her beauty in the spirit of the Goddess, where Magdalene walked, taught and healed in communion with the *All*, two thousand years ago. This land was seeded with the memories of the Grail – the Magdalene/Christ Bloodline, the Cathars, the Knights Templar and the Black Madonna.

Deep inner wisdom awaits by the timeless waters of the Priestess in Rennes Les Bains, where ancient springs and sites have been dedicated to Isis and Mary Magdalene, where we will bathe in the thermal healing waters and partake of the gifts from the *Source of the*

Magdalene, the Fountain of Lovers and the sacred spring next to the ancient Seat of Isis. Our journey will take us to explore the Magdalene Grotto, the holy mountain Bugarach, several churches, a Cathar Castle, and the Tour Magdala located next to the Magdalene Church on the famous, hilltop village of Rennes Le Chateau.

The places visited on this special workshop/journey are designed to bring each soul traveler balance, inspiration, inner wisdom and heart expansion. The energy of the journey will respond to the intention of each participant and enhance the community-building group dynamics. We will co-create living ceremonies when inspired to do so at various sites, in celebration of life and one another.

AN INTIMATE JOURNEY TO THE LAND OF THE MAGDALENE
IN SOUTHERN FRANCE
To Activate Your Archetypal Magdalene/Christ DNA Codes

**An Invitation To Women And Men From
Facilitators Nancy Safford & Michelle Phillips
October 2 - 9, 2008**

Day 1 – Oct 2, Thursday

We will pick you up at the Toulouse airport between 11:30 am and 12:30pm (unless given notice of another plan), then stop in Limoux for lunch and personal grocery supplies before arriving at our hotel in Rennes les Bains. We will get settled, relax and then explore the famous outdoor thermal healing waters of this famous village, before beginning our “coming together process” for our first evening. After we will then have a simple dinner with an introductory overview of the area. We will stay here 2 nights.

Day 2 – Oct. 3, Friday

Breakfast. Group centering and setting of individual intentions, before we walk to the “little cascade”, by the sacred waters of the Goddess attended by the priestesses in earlier times, to ceremonialize our group intention. Here our attunement to the Earth, the elemental forces of nature, and the Temple of Venus energies will activates our intentions. Lunch in RLB at an outdoor café, before walking to nearby 5000 year old, stone *Seat of Isis* by her sacred spring. Receive healings and individual attunements. With a sense of spontaneity, we choose to be open to each moment and whatever process or ceremony comes forth for the highest good of all participants. We will then have our special welcome dinner.

Later, prepare to depart the next morning.

Day 3 – Oct. 4, Saturday

Breakfast. We will depart for Les Labadous, situated next to the beautiful *river of colors* where we will stay until we leave on the 9th. It is located opposite the ancient village of Rennes Le Chateau and has a very strong Magdalene energy on the grounds. After leaving our baggage and settling in a little, we leave to spend the day at the famous village of Rennes le Chateau to explore the *Tour Magdala*, the museum, and the church where the Abbe Sauniere originally discovered the coded documents that he took to Paris. When he returned he had a large sum of money, used to build the *Tour Magdala* and to renovate the church, both dedicated to *Mary Magdalene*.

We will be guests at the home of a couple who are members of a *French Templar Order*, still practicing today, who will share their beautiful home and garden, near the *Magdalene* church, and grace us with lunch and a special presentation. Return to Les Labadous for dinner.

Day 4 – Oct. 5, Sunday

Breakfast. We will spend the morning in the historic marketplace of Esperaza, which gives a wonderful feeling for the French open market tradition. One can shop for fresh local produce, many kinds of gifts, clothing or jewelry. The church of Archangel Michael is here and is an important visit. In the afternoon we will visit the breath-takingly beautiful Cathar Castle, *Montsegur*, made famous in 1244, during the Inquisition, when the Cathars made a final stand against the Catholic church, to live their truth in Oneness and Love. Return for dinner at Les Labadous.

Day 5 – Oct. 6, Monday

Breakfast. Today we do the most important part of the Magdalene/Christ DNA Activation and leave a lot of time for integration on the exquisite grounds of Les Labadous. Then, later, in the afternoon we visit the *Angel Sanctuary*, hosted by an Irish couple and their young family. The mother has created numerous paintings of angels who have always been with her, since her childhood and displayed each with a special environment around it – inviting visitors to explore timeless moments of peace and grace in front of them.

Return to Les Labadous for dinner.

Day 6 – Oct. 7, Tuesday Breakfast. We will walk to the *Magdalene Cave* across from *Rennes le Chateau* to ceremonially attune to the *Soul of the Magdalene* and her planetary purpose. Picnic here. In the afternoon we will visit the holy mountain *Bugarach*, which is located in a place,

said to possibly host one of the earliest civilizations on the planet. The mystery of this mountain inspired Jules Verne to write many of his novels. He also had a home here.
Dinner Les Labadous

Day 7 – Oct 8, Wednesday

Breakfast. On this special day, our last one, we will have a *Twin Flame Integration and Marriage Ceremony* with our *inner self*, at the ancient *Fountain of Lovers*, which we will co-create. Then we will have our last celebration dinner to honor ourselves, each other and the journey we have taken together and on so many levels. Then prepare for morning departure.

Day 8 – Oct. 9, Thursday

Early simple breakfast, then depart for airport. Say goodbyes to the grounds and energies here. We hope your journey has deepened your experience of life and inner knowing.
