

**STAND IN THE ANCIENT DOORWAYS
WHERE MARY MAGDALENE, THE CATHARS
AND KNIGHTS TEMPLAR
MARKED HEAVEN ON EARTH
AND UNVEIL YOUR OWN TRUE STORY
IN SOUTHERN FRANCE
June 15 - 25, 2015**

Walk with me as we explore timeless pathways, enriched with mystery, intriguing legends and unparalleled beauty, in the Rennes Le Chateau region of southern France, the Languedoc, to places that our ancestors marked, where the consciousness of the Heavens came down to meet that of the Earth, and where the wisdom of Mary Magdalene, the Cathars and Knights Templar, has been hidden, ready to be awakened and known

again.

We will explore ancient churches, the Tour Magdala, sacred wells and springs associated with Isis and Magdalene, thermal healing waters and ancient caves, Priestess temples deep within the landscape, holy mountains and Black Madonnas, high Cathar Castles and fortresses of the Knights Templar, and then bathe in the prayer-filled waters of the Mediterranean, at Les Saints Maries de la Mer, where Magdalene first arrived in France, as we journey to reclaim the eternal teachings of love and Oneness.
